- **Employment Track – Employment Workshop:** This course presents a comprehensive view covering best practices in career employment, including learning interview skills, building effective resumes, and using emerging technology to network and search for employment.
- **Education Track – Managing Your Education (MY):** This course, designed for anyone pursuing an undergraduate or graduate degree, includes information on choosing a field of study, selecting an institution, gaining admission, and funding your education.
- **Entrepreneurship Track – Boots to Business (B2B):** This course is for those interested in exploring business ownership or other self-employment opportunities. Participants learn about evaluating business concepts, developing a business plan, the resources available to access technical assistance, start-up capital, contracting opportunities, and more.
- **Identifying New Career Opportunities – Career and Credential Exploration Workshop (C2E):** This course offers an opportunity to complete personalized career development assessments of occupational interests and aptitudes. Participants will then be guided through a variety of career considerations, including labor market projects, education, apprenticeships, certifications, and licensure requirements.
